Citizens AGAINST More OHV Trails in Baldy Mesa

WTR&Co

The undersigned oppose the proposed expansion and enhancement of the Baldy Mesa OHV Trails. Many citizens of Phelan have noticed over the years increased motorcycle activity and OHV illegal activity on "user created" trails right behind their town. The USFS needs to stop legitimizing these trails and NOT expand them, rather enforce the law on trails already in existence. The proposal completely lacks any plan to limit the illegal use/entry/exit by OHVs from private properties from the town of Phelan.

Please return these petitions in a manila envelope to the following address: Baldy Mesa OHV Trails and Staging Area, Attn: Tom Hall, San Bernardino National Forest, 602 S. Tippecanoe Ave., San Bernardino, CA 92408.

Citizens AGAINST More OHV Trails in Baldy Mesa

WTR  
Co

The undersigned oppose the proposed expansion and enhancement of the Baldy Mesa OHV Trails. Many citizens of Phelan have noticed over the years increased motorcycle activity and OHV illegal activity on "user created" trails right behind their town. The USFS needs to stop legitimizing these trails and NOT expand them, rather enforce the law on trails already in existence. The proposal completely lacks any plan to limit the illegal use/entry/exit by OHVs from private properties from the town of Phelan.

Please return these petitions in a manila envelope to the following address: Baldy Mesa OHV Trails and Staging Area, Attn: Tom Hall, San Bernardino National Forest, 602 S. Tippecanoe Ave., San Bernardino, CA 92408.
